Current WBC International 168lbs champion Luka Plantic (Croatia) retained his title again last September 7th in Cologne (Germany) against Roumania's Catalin Paraschiveanu (KO3). He will now face current International Silver champion Martin Ezequiel Bulacio next November 15th at the York Hall in London.

This will be a great Wbc International Championship, indeed. The surprising victory inside the limit by the Argentine boxer Bulacio last September 12th in London caused a sensation as the then defending Wbc International Silver champion Serhat Güler was a clear pre-bout favourite. Luka Plantic (full titlist) against Martin Ezequiel Bulacio (Silver champion) next November 15th at the York Hall in London. Don't miss it.
