

The WBC International 160lbs crown is now vacant. Aaron McKenna had won the vacant title outpointing Uisma Dos Ramos Lima at the York Hall in London on June 16th last year (2023). In more than one year, McKenna did not make a single defence of his crown and the Committee had no alternatives but to declare this championship vacant (July 19th 2024). This vacant title bout will now be held in Zakopane (Poland) next October 26th: Fiodor Czerkaszyn (Poland 24-1-0, 15) vs Sebastian Horacio Papeschi (Argentina 22-4-0, 8)
