

The fight for the vacant WBC International 175lbs Silver title took place in Köln (Cologne-Germany) last January 27th at the beautiful Motor World venue.

Branimir Malenica (Germany) stopped in five rounds Ahmed Dananovic to win the vacant belt.

A very good contest between two unbeaten contenders.

Branimir will defend his title next December 12th in Hamburg during our Annual Convention.

He will face Benjamin Gavazi.
